Deliverables

VS

Results

Every service details the deliverables, however it's important to note the distinction between what you receive in your inbox and the broader picture of working together.

A
*Denim focused**

designer, instead of relying on those who don't know the intricacies of this historic, specialized fabric

Freelancers get a bad rap for being flakey, but your project is my top priority.

Previous clients have expressed their gratitude for my personable nature, diligent work ethic &

*Reliability**

Results are what you as a client see, hear and feel to confirm that you've spent your time & money wisely.

**Time saved*
Months of
trying to build a tech pack instead of DIY

*Headache free **

sourcing. No more relying on Google to know if a factory can be trusted

**Purpose - led*
design. No fast fashion churn & burn

*Connections **

Bringing you into my inner circle of conscious fashion professionals & other freelancers.
